“ I'm never good at this but Sending many prayers and love again to my family.for the lost of my uncle, affectionately known to us as "grandad john". Growing up with Lyndsy always there attached to my hip, (smiles) and with my kids to hers, we all addressed him as such. Funnier, in my family. everyone's a cousin, brother, sister, auntie no matter what the actually relation... can be confusing but we are all blood related family with love.

I/we will truly miss John. He always made a point to talk with me and let me know how he felt about myself and my family. I will always appreciate those talks.

To my family.. If You all need anything .. We are always here. We will continue to try and reach out and check on you. We're sending many prayers, hugs and love at this time.

Love always, Quinnette Napper Braxton and Family

“ Bea, Karen, & Rhonda:

Beth, Jessica, and I want to offer our sincerest sympathy to you in your loss of John. With his loss, we are reminded how short life really is, and how we are just passing through. I want you to know what a blessing that I had John in my life. John was my role model and my major influence. John was honest, loyal, and a loving family man. He was the only man that I can honestly say that I loved—I told him so on my last visit. I know that he is resting in peace. With love to you all. Harold, Beth, and Jessica

“ Ms. Bea and Family: Our sincerest sympathy in your loss. Mr. John was delightful and upstanding. Truly a role model and man model in several ways. It was our pleasure to know him and be influenced by him. He made Steve and me feel special - as he did many, many others. We admired his integrity and commitment to family, church, and community. His joy and presence are missed. His legacy lives on.

“ The Alumni Association of Parker-Gray School

John L. Taylor was a graduate of Parker-Gray and a dedicated member of the alumni association. He attended our school reunions, supported our trips, dances and all other activities associated with the organization. John gave not only his time but his finances as well. When John and Bea were unable to attend, their absence was felt by all. The Taylor family will forever be in our prayers.

“ Bea, Karen and Rhonda. John will be missed. He always made us feel welcome in his home. John will always be remembered for the annual thanksgiving dinner that he sponsored for the seniors, the annual gospel programs and other acts of kindness he did to show his love for us. He got joy out of showing us his fish pond and his anticipation of a sunroom. We are glad he got to see its completion. John is now resting from his labor and has gone home for his reward. We will keep you in prayer (Dan and Carolyn).

“ To Ms. Bea, Karen and Rhonda I just wanted to let you know you are in my prayers. I have fond memories of seeing Mr. John and Ms. Bea at Kaiser for their appointments, they never passed me by and always had a kind word. Just remember He's gone from our sight but never our memories, Gone from our touch but never our hearts.
