“ Bestfriend!!!! This is BEAUTIFUL.. I know this is most deff the hardest thing you have EVER been through... I just want you to know how much I love you baby!!! MOMMA took me in under her wing when I was out here doing just any ole thing.. She loved on me, gave me advice, and simply just sat down and listened to me when no one else would!!! it didnt matter what time of the day or night I called her she always answered with a simple "Hi BABY" did you eat today? Also saying "When is momma gonna see you?" I thank GOD for putting you in my life and giving me the CHANCE to meet Who now and forever Will BE MY ANGEL! I LOVE YOU!! PRAYING SO HARD FOR YOU AND THE FAMILY!!!

“ My beautiful angel has gotten her wings and now shes soaring above everything no more hurt and no more pain, she walks around heaven cherishing the new life she has gained.

As we are left here to honor your legacy missing you already has gotten the best of me. Your laugh, your smile and your warm touch all those things I will miss so much. Although I know that you are in a better place where their is no struggle and everything is going at your pace

It doesn't make this road any easier, every time it's quiet I find myself thinking of her. All our memories I will cherish the good times, the bad times all of this I will carry In my heart and in my head never forgetting all the loving words you've said
As I go about my day I just want you to know that the love I have for you will never ever fade away!
