BF

“ *The smile I see on this page is the same happy one she always had. I pray that God the only one that can comfort did that for the family during this time of her transition.*

Catherine (Piggy) was always on her post at Church and the last time I saw her, she let me know that she would keep an eye on me to bring my walker when needed. I was saddened when I heard of her passing and will miss her.

God Bless the Family

“ Aunt Catherine...Oh let us count the ways: She was the Best Aunt, always hosting Tea parties, Dance contests, jump rope contests, great sleep overs, taking us on tours of the Pentagon where she use to work, taking bus rides to Washington, DC to go shopping on F Street. So many loving and fun filled memories. We will forever cherish her memories. God has taken our Auntie to rest with Him and to add another Angel to brighten heaven...We will always count ourselves blessed for having Aunt Piggie in our lives...The Ward, Jordan and Barber Families..

Sandy Jordan Porter - January 05, 2021 at 05:17 PM

“ I have so many beautiful, loving and funny memories of Ms. Piggy! My most funny is when she was babysitter for my son Damon. He called her “Ms Peddy” and if “Ms. Peddy” said it, it was surely the gospel!! He would come home and ask for stuff and I would say no, especially a cup of coffee. His response was Ms. Peddy gives me a cup of coffee every morning!

Ms Piggy Ward will always be remembered in the Alexandria Black Community as one of our “Black Alexandria Living Legends”. A beautiful Angel has gained her wings. That smiled will never be forgotten.RIP

Another "Colored Rosemont" denizen has joined the cloud of witnesses. Death is a surety but it's still sad. Piggy , her family, particularly her father Parker Waterson, were integral parts of a cohesive Black neighborhood offering a sense of belonging and survival during segregation. Even with the demise of that community we still have lasting memories of self worth, village cohesiveness, survival and love. The last of her siblings to transition--may she rest in eternal peace. John Oswald Greene, on behalf of 1312 remembering 1315.
