“ Aunt Jackie, words can never express the heartache I feel for you. Uncle Wimpy was such a special person who touched some many lives in so many ways. I can always remember my Daddy speaking so highly of him. Uncle Wimpy will never be forgotten and know that you have an angel who will be watching over you always. I comfort myself in knowing that my father was there to greet him and know in my heart that they are somewhere sitting back listening to music, laughing and smiling. You and your family were truly blessed to have had him in your lives and his memories will live on forever. God bless you and keep you and your family.

“ I never fully understood what was behind Wimpy's playful smile - the one that went all the way up to his eyes. I can imagine it was the joy he felt when he was around the people he loved so much, his wife, his children, his grandchildren and great-grandchildren. He will be greatly missed by all who knew him. My condolences to his family.

“ To the family and friends who knew him best, may you all find some comfort in knowing that there never was a truer meaning of the words "family" or "friend" than when Wimpy took you into his heart. He will always remain in ours. With Love, Rich and Ann Fudge
