“ *Diane and Family,*

I know what you are going through, God knows best. Keep on praying and holding on to your loved ones near and far. Look to the hills for comfort, Only God will and can guide you through this home going of your lovely father, just know that he is in a better place no more suffering down here he is now among the angles in Heaven who will protect him and keep him whole.

Words can not explain how I feel right now, but I do give you and your family my deepest sympathy.

Love Vanessa
