“ To the Hogan Family, may God continue to comfort and strenghten you all during this sad time. Corliss was a Jewel! She had such a loving heart and a generous spirit. I have been blessed to have known her for many years. I sang in the choir that she directed at Fairfax County. I still have one of the African Outfits that she gave me and I will cherish it forever in remembrance of her. RIP Corliss!

“ Corliss was one of my 1st employers. I baby-sat for her two lovely daughters. Even though it seems that I was just in between the age of the children and Corliss, it was a perfect match for me. I was able to enjoy supervising the girls while Corliss was at work. I also, admired Corliss' making of her own clothes. Boy, did she have style! After a few hints, Corliss made for me a yellow summer pant suit. I just loved it. I loved Corliss, she made me feel like I was a part of her family, even though I had my own wonderful family. I felt blessed, because it felt like an extended family. I am really going to miss her. She just had a glow about her that warmed my heart. She was a role model. RIP Corliss

“ Celebrating a life well lived. I will cherish the memories in the Fairfax County Black History Month and Diversity Choirs forever. Corliss was our coordinator, director, and inspiration. She was so vibrant and full of the joy of the Lord. Such a sweet spirit. She has been missed since her retirement in 2003. We'll sing together again in the heavenly choir. To the family, may God give you the strength, comfort and peace to take you through this difficult time. Continue to look to the hills from whence cometh your help. You are in my prayers.
