“ I remember when David and his two brothers came to visit me and my family in Columbia, SC a couple years ago. I remember his smile and how nice he was, and how excited he was to meet his first cousin Dot children, and we were excited to meet him as well he was such a gentle soul. I enjoyed our time we shared, and he will be truly missed by the family.

“ *Barney, Fred and Family,
I am saddened by your loss of David. He and I met many years ago when he visited Nashville, TN. My hope for your family is that the fond memories of David make you smile, especially during these difficult days of having to put this loss in a place where you can deal with and accept it. Take care (family) and know I am thinking of you.*
