

## Delores Bernice Bushrod

September 19, 1933 - September 13, 2018

Delores Bernice Bushrod, the only child of John and Bernice Bushrod was born on September 19, 1933 in Washington, D.C. Delores spent her early years in Fairfax county and later graduated from Parker Gray High School in Alexandria. Early in her career, Delores was employed by the old Alexandria Hospital as a nurses aide, then she worked for several families in a domestic capacity until her retirement.

After retirement, while facing a number of health challenges, Delores made the decision in 2015 to sell her condominium and move to the Spring Hills of Mount Vernon assisted living facility. While there, her “I’m in charge mode” kicked in and she became “Queen” of the residents. She did an excellent job representing Spring Hills residents in their negotiations with residency management. Fellow residents sought her guidance and she looked out for them.

Throughout, Delores’ faith never wavered. She attended weekly masses at Spring Hills and was thankful for the blessings of a supportive family during her “Golden” years. Those who knew her well, realized that behind her feisty, bossy, sometimes combative spirit, was a kind, caring individual, who loved her dog, Snoopy and her Bingo.

Caring for Delores has been an awesome journey and memories of her will

remain in our hearts forever. A special "Thank you " to her cousins, Sheryl Templeman, Linda Kye and Shirley Giles for their regular visits with her and other family members who checked in from time to time.

In closing, we would just like to say, Happy Birthday Delores! You are with God on your special day. We love you and you will definitely be missed.

Your cousins,

Beatrice Wooden and Barbara Strange
