

## Florine Galloway Franklin

October 3, 1949 - April 24, 2016

Florine “Flo” Franklin was born on October 3, 1949 to the late George and Louise Galloway in Washington, DC. On April 24, 2016, she was suddenly called home to rest.

Flo was educated in the Alexandria City Public School System and graduated in 1967 and starting immediately working to help support her family. Over the years, she worked at various organizations such as Riggs Bank, United Virginia Bank and Southland Corporation, which afforded her the ability to travel the world. She attended Northern Virginia Community College, American Institute of Banking and Strayer University. In 1988, Flo started at East Coast Migrant Head Start Project (ECMHSP) where we remained a devoted employee until her retirement on March 15, 2015, after 27 years as the Executive Manager responsible for the ECMHSP Program Governance. In January 2016, Flo received the PathStone 2016 Hall of Fame Award from ECMHSP for her loving care and services to PathStone and the Delegate Agencies and for 27 years of dedication to the welfare of children of migrant families.

She was a devoted and proud mother who would always have a story to tell about her daughter and grandchildren. She loved her dog Jojo and treated and spoiled him like he was her child.

One of her favorite things to do was to work in her garden. She would sit out there for hours and admire all of the plants she has carefully selected to showcase her yard. She could talk for hours about the plants that were out

there. She knew them all by name.

She leaves behind her husband Eugene Dugger, one daughter, Ingrid Kindred of Woodbridge, VA, two grandchildren, Cherie Franklin and Jarrett Franklin of Woodbridge, VA. One Son-in-law Antonio Kindred. Two sisters, Regina Carter of Springfield, VA and Ellen Galloway of Woodbridge, VA. One niece Lindsey Carter and one Brother-in-law, David Carter and a host of family and friends. Flo was preceded in death by three brothers, Charles Galloway, Franklin Galloway and Donnell Galloway.

“ *Some people come into our lives briefly but leave a lasting impression. That's how it was with Florine. We did some work together five years ago but never met in person. From our phone conversations, I knew her to be a kind and compassionate woman. I am so sorry to hear of her passing.*
