

## Frankie Holloway

November 10, 1936 - July 14, 2020

On Tuesday, July 14, 2020, Frankie Holloway was called home to Glory. She had a loving spirit, the brightest smile and she left her mark on all those around her.

Frankie Holloway was born in Dublin, GA on November 10, 1936 to Fleta Payne and Therman Payne. She later resided in the Del Ray area of Alexandria where everyone knew her as Ms. Holloway or Grams. She was married to the late Robert Holloway and they had 3 boys James Holloway, Frank Holloway Sr. and Albert Holloway Sr. In her early years she would enjoy going to watch her sons play sports and win state championships. She loved sports, they excited her. She worked for DC parks and recreation as well as Fairfax County parks and recreation. Frankie Holloway was an arts and crafts guru, although she could do it all. She would go to parades, she loved to garden, she face painted at any event on que, she decorated her house every holiday and win the neighborhood competitions. Those are just a minuscule of her accomplishments because there was nothing Ms. Holloway couldn't do. She was a hard worker even after she retired, she still wanted to work. She was a loving Mother, Grandmother, Friend, Cousin, Aunt and Great Grandmother.

Frankie is preceded in death by her parents, her son, James Holloway and her brother Ralph Moore. She is survived by sons; Frank Holloway Sr. and

Albert Holloway Sr. , Grandchildren; Frank Holloway Jr., Frankey Holloway, Amani Holloway, Alisa Holloway, and Albert Holloway Jr. Daughter in-laws; Lisa Holloway, Linda McKethan, and Dinia Finch-Holloway.
