“ *He was the best in the community and in the history of music from
jazz, blues to classical, etc. He was especially outstanding with
hand drums like congas, bongos, etc.*

We really going miss a true legend.

Thanks for being a true friend and teacher.

“ *My most sincere condolences to the family of Curly Robinson. Curly was someone that you could call a true friend. Once a friend always a friend. He would keep you laughing too. I have numerous fun memories of times spent in his presence. It was less than a year that I searched for him because another close friend of ours passed; couldn't find him but at least now I know he's in good hands with the Lord*💔
