My beautiful sister you will be missed. It's going to be strange not hearing the nickname you always called me, or seeing you at our family gatherings. “ My heart is deeply saddened right now to learn of your passing (friends since 9/1971). I have been trying to locate you for a very long time. I am very sorry to hear this news today but I do know To Be Absent From The Body Is To Be Present With The Lord and I feel you are present now with the Lord and your parents. We had some really good times together and were always there for each other. Sis, I pray that your soul is resting in the Arms of Our Lord and Savior Jesus Christ. I will always love Joyce Marie Keith 🌹🌹🌹

“ I miss you Ma; but I know that you are okay with grandma and granddaddy. I'm taking it one day at a time, staying faithful and proud to have been your daughter. I pray and hope that I made you proud. Brooke and I will be okay. You taught us independence, strength and survival.

Love,

Joy

To the Keith Family, may you experience the peace and comfort that only God can provide. You may need to move closer to Him especially when you hurt the most. To my sister Ronda, may you continue to be open to the life giving breath of God to sustain you. His strength is made perfect in your weakness.
