“ I worked with Julius at the Alexandria Animal Shelter, I moved to Oregon but Julius called me, then he quit and we lost touch. He was a treasured friend, I was so sorry to hear of his passing. Super great guy.

“ *Cathy and family, you have our condolences and you are in our thoughts in prayers during this difficult time. Julius, you were my friend and brother for many years. We grew up playing sports and running the street of Alexandria together. While we went in different directions when we grew older we always had fun when we were together. I will miss all the talks we had solving the worlds problems.*

*You fought the good fight my friend. May you rest easy now.
Love you buddy.*
