“ Mother Williams was one of the mother's in my life that helped raise me. Her son Drue Williams Jr. has been a friend to me for over fifty years. Mother Williams always had a kind spirit, words of wisdom, and an unyielding support for her family, and to anyone who had the pleasure of knowing her. She always considered me as a son, and I always loved, honored, and respected her as my mother. Although your physical presence in my life will be sorely missed. I will always have the pleasure of using all the things you have instilled in me, as tools to help me navigate through the next chapters in my life, as I have done in the previous chapters. I love you to the core of my existence, your other son,
