Margirette

Thank you for making my move to DC a little bit easier. So many times your bright smile was the Hirofumi my day.

“ *I was deeply saddened to learn about the passing of Margiretti, who was the shuttle driver at Rose Hill Apartments. I had known her since August 2017, and from the moment I met her, I recognized that she was an extraordinary person. She always greeted me, along with my neighbors on the bus, with a huge smile. She was always so full of enthusiasm for life that I am still struggling to believe she is gone. Her enthusiasm was contagious, and it was impossible to leave the bus without a smile. There were times when my day wouldn't be going well, but I couldn't wait to climb into the shuttle and be greeted by her angelic smile and cheery, upbeat attitude. I knew that 15 minutes of laughs and passionate conversation were in store. Looking back on my life, I struggle to remember ever having encountered someone else quite like her-- someone who had such a gift for bringing strangers together to laugh and love each other. Thank you, Margiretti, and to your family, I send my heartfelt condolences.*

“ *It's not much that I can say without crying. My heart truly hurts. I can say you were one of the most genuine hearts I've ever met. I met you by way of my best friend and even before we became coworkers we we're friends. I love and miss you so much. You kept a smile on my face and on so many others. You will be sorely missed. Rest on my friend 😔😭*

“ When I found out about your passing, my heart dropped. We had some awesome times in high school and I will always remember you as quick witted and funny. I remember you always trying to make us laugh when we were standing at attention and 1SG Smith yelling at us! My condolences to your family, especially your husband and children and to the rest of us for losing you so early. I will forever cherish the memories of silly high school kids and all the awesome experiences in the JROTC program. Until we meet again, rest well and rest in peace.

Felix.

“ I'm so heart broken.... She was one of my very first friends. From little girls, we played, had sleepovers, went to church, went to school together from kindergarten through high school. There was NEVER a dull moment around her. She was definitely one of a kind. I'm so grateful for our time and the joy she brought to my life. My heart and prayers are with her family. Rest in peace my dear friend... ❤️
