“ I have known Mac since 1969, meeting him at the Alexandria skating rink. I spent many great days with Mac back then for several years. My heart cries that he has left the earth. RIP Mac, I cherish our memories. I will always love you!

“ I met McArthur back in the days of the Alexandria Skating Rink. We often skated together. He shared his many moves. Though we lost touch, we forever remained friends. The last time we saw each other was at the viewing of the "Late Great Coach Herman Boone/Remember the Titans". I'll forever remember our last conversation. RIHP Mac, until we meet again my Friend!
