“ My name is Roe Mitchell Michelle was the first person I meet when i move here from New Jersey back in 1998. she showed me how to catch the buses in the times that they arrive who to talk to and who not to talk to because she knew the whole Town. Her smile would light up the room. Oh don't may her mad because you would know about it. She had a heart of Gold and I know she is ALL Right BECAUSE GOD CALL her home to be with him I am going to miss her RIP LOVE YOU

“ *I will always remember the way she looked at me when I talked to her, her eyes. I cannot get her eyes out of my mind. She looked into your eyes very intensely, as if she's looking through you, so sincere. A good listener & the most pleasant person to be around. The sweetest and most thoughtful. The most fun, her energy, her spirit, her smile, and her laugh so contagious. A genuine woman with a big heart💜 Not many people have those qualities. Thank you God for allowing us to know one of your best Angel's! We are forever grateful to have known Michelle. We love & miss you so very much aunty Michelle. All of the wonderful memories of you.....*
