“ Anthony, Darryl, and family-I did not know your mom well, I wish I had as Nettie must have been a wonderful and caring person to have such supportive and loving sons. I was honored that I was able to say good by to her as God lovingly took her into his arms. A family's love is a treasured gift that not all people are fortunate enough to experience. Nettie is at peace now having known that love and support she so rightly deserved. My sympathy and loving wishes go out to her family. Eileen Henderson
