“ *To the family of Mr. Norman Walton aka Storman Norman. I have fond memories of Norman holding me down with my young negative attitude when we work at DTIC back in the day. I have thanked him for helping me keep my cool and not give the government the satisfaction to fire me he was a true mentor to me. Sandra you truly had a wonderful husband he will truly be missed. May the lord continue to keep you in his care during your time of bereavement.*
