“ *Pam. I am missing you my dear longtime friend. Remembering us singing together on stage, laughing and crying together, party's together and even dated the same guys who were friends to each other. You were such a loving caring friend We never had a misunderstanding. I treasure the times we were able to reach out before and after you first took sick. My last living memory of you my dear beautiful Pam will be treasured. Resting time sweetie* ☐ 🥹💔🙏
