“ *So many wonderful memories of our last Aunt Phyllis and I'll cherish them forever. To include the "Diggs Family Reunion", which she seemed to enjoy very much. We were all thrilled and happy when she made it to that last family reunion in 2023. I love you Aunt Phyllis and we know your're in the kingdom with our Lord and all your loved ones. Your Niece, Joyce (Larry) Clark*

“ My friendship with Phyllis started when we went to Parker Grey school together. I remember having so much fun hanging out with her. People would refer to us as left-hand Phyllis (Bell) and right-hand Phyllis (me). We lost touch after I got married and moved away - I was a military spouse/dependent and traveled and lived in different states and countries. Shortly after I moved back to the States (Colorado) in 1997, my niece June (Majors) Threat helped me get in touch with Phyllis again. Since then we would talk regularly, and laugh and reminisce. I had hoped to be able to visit Phyllis. Phyllis was a lovely person and a dear friend, and I will miss her deeply. She will always be in my heart - Phyllis (Norton) Noakes

“ Phyllis and I grew up with each other, I lived on Wythe St and she lived on Madison. We attended Lyle Crouch and Parker-Grey school together. I can still see Phyllis marching with the Parker-Grey band. We also attended the same church Robert's Chapel growing up. We called each other every week. Phyllis was a very dear friend and her faith in God was strong. I will miss my friend. Bea Taylor.
