“ *Selma was special! I worked with her from my first day at EPA budget and worked with her for probably 30 years. One of my favorite all-time people. Always so friendly and warm, sweet as can be to everyone. Always a pleasure working with her, no matter the project. And despite her often heavy workload and the extra effort in caring for her grandchildren, she always came with a positive attitude. The world will miss her. Condolences to the family.
