*My oldest brother, my mother , father and friend. You knew me when I didn't know me. You took very good care if me when we were growing up. Even though most older siblings feel the younger ones are a burden, you were never like that. You continued to "watch out" for me as I grew up, you did the same after I got married. So, to the inportant man in my life, I am going to miss you, our daily calls/texts that always ended in " I love you". I loved you then and I love you now. SLEEP IN PEACE TEDDY*
