I knew Nikki at ASTA. Such a beautiful woman inside and out. The world will lose a great deal from her passing.

“ I am truly heartbroken after just hearing about Nikki's passing. I worked with Nikki at ASTA many, many years ago. She was such a big-hearted woman and always full of joy and laughter. We kept in touch and would talk or text most years on our birthdays which are only two days apart. I just caught up with her this year and she was (as usual) sharing her pride in her daughters Taekia and Teiyona and telling me about their latest accomplishments and also how excited she was for her birthday trip. She will forever be my Aquarian sister and I will miss her deeply. Love to you all as you grieve--she was GOLD.

“ *I just want to say that this world has definitely loss a beautiful person inside and out. I am truly heartbroken, devastated, and still in disbelief over Nikki's sudden passing. She was indeed a remarkable woman. Always helping and thinking of others. She did so much for her community, assisting the elderly, going over and beyond to assist members and staff. Her list of contributions to her peers can go on and on. The tears just will not stop flowing from my eyes as I think about her sparkly spirit. Always bringing light to any situation. I'm truly going to miss this amazing woman. Heaven is definitely gaining a beautiful angel and I will miss her dearly.*

Sending out prayers to her beautiful family and to everyone that she has touched with her infectious and beautiful spirit.

Rest in peace, dear friend. Sending love up to you.
