“ Wayne had a heart of gold. He was truly one of the sweetest, kindest, most generous people I have ever known. He would do anything for a friend. He gave to others more than he gave to himself. He was funny, kind, a prankster, a whirlwind of fun and mischief, a relentlessly hard worker, and a truly good person. He always made me laugh. He was so tender-hearted he couldn't bear to see others suffer. There aren't words to describe all the ways he made the world a better place. I just know that the world feels empty without him. Rest in peace my dear friend.
